

Information on Evac partnerships

1. No cooperation with VacDrain

Evac Group confirms that we do not have any business relationship with VacDrain. VacDrain is neither a supplier nor a manufacturer for Evac Group, and we do not collaborate with them in any capacity.

Any claims suggesting otherwise are inaccurate and do not reflect our business operations.

2. Other partnerships

Evac Group has long-term partnerships, distributors and agents in its network. We are committed to maintaining the highest standards of integrity and reliability in all our business relationships. We only cooperate with reputable partners and conduct thorough due diligence before entering into any form of collaboration. This ensures alignment with our values while safeguarding the interests of all stakeholders.

If you are unsure whether a company has a partnership with Evac Group, we encourage you to engage with your local Evac contact for information: [Contact us - Evac](#).
